Third Notice-only change to  
MSOP 057-12390-00031

Dear Mr. Johnson:

ExxonMobil Oil Corporation was issued a permit on October 17, 2000 for a portable source groundwater remediation facility. A letter notifying the Office of Air Quality of a change to the Authorized Individual was received on July 10, 2003. Pursuant to the provisions of 326 IAC 2-6.1-6(d)(2) the permit is hereby revised as follows:

Effective July 1, 2003 project management responsibilities changed for the Carmel, Indiana facility prompting a change in the Authorized Individual. Mr. Jeffery A. Johnson replaces Mr. Jonathan K. Hamilton as the Authorized Individual. Mr. Johnson meets the requirements of 326 IAC 2-1.1-1(1) as an Authorized Individual. The mailing address and phone number were changed to reflect Mr. Johnson's address and phone number.

Due to a name change, references to the Office of Air Management (OAM) were changed to the Office of Air Quality (OAQ).

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this letter and the following revised permit pages to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Gary Freeman, at (800) 451-6027, ask for extension 3-5334, or dial (317) 233-5334.

Sincerely,
